2015  
18<sup>TH</sup> TO 22<sup>ND</sup> MARCH

## TRAFFIC AND PARKING INFORMATION

### EDITO

**FROM THE 16<sup>TH</sup> TO 22<sup>ND</sup> MARCH, MÉRIBEL WILL BE HOLDING THE GRAND FINALE OF THE SEASON, THE ALPINE SKI WORLD CUP FINALS!**

The whole valley is getting ready to host this grand event, confirming Méribel's reputation in the international sporting world. After having held the Mountain Bike World Cup Finals at the end of August 2014, the whole community has been invested into assuring the success of this global alpine ski celebration.

We are counting on all of you to take part in this special event, but also to respect the few constraints linked to the organization of such a large event. During the week of the competition, traffic and parking will be affected and will be subject to some inevitable alterations.

This document will help explain the changes more clearly in order to allow you to make the most of the event in the best conditions possible! The steering committee would like to thank you in advance for your understanding; your support during the preparation of these finals will be a key factor to their success.
