### 4 DIRECT LOCAL TAX: VOTE THE RATE OF DIRECT TAXES FOR LOCAL 2013

the Mayor said that the 2013 budget maintains an ambitious investment policy and continues to improve and the creation of new public services offered to residents of the town of Ferriere.

To help fund these actions to permanent and tourist population of the municipality, in a context of stagnating revenues from the state, coupled with a doubling of FPIC that this year will reach the projected sum of € 44,000, it is necessary to make an adjustment of the tax burden.

reminded that the last rate increase dated 2010 budget.

It is therefore proposed to increase the rate of four evenly local taxes in a reasonable proportion of 3%.

Council News, report on the Mayor, after deliberating on each applicable local direct taxes tax rates, unanimously decided to retain the following rates for the year 2013:

o Tax Rate of home: o 17.91% Tax Rate on land built: o 27.66% Tax Rate on undeveloped land: 187.05 o% rate of corporate property contribution:

### 34.01%. 5.VOTE THE RATE OF TAX FOR REMOVAL OF GARBAGE 2013

the Mayor recalls that belongs to the council to determine the rate of removal of garbage from the common tax year.

The City Council also decided to resume zoning applied by SIVOM township Bozel to modulate the amount of tax to the importance of the service rendered, assessed in terms of the context of the service and its cost.

**For the record, including changes of importance of the service rendered in the various sectors of the municipality, it**

was established the following areas:

oZone P: cadastral sections H, ZN, ZO, ZP, ZK and ZM including the hamlets of La Tania, the and Formier the Tagna;

### **III PLANNING AND WORK**

#### **1. E) OF DIA Camen**

the Mayor informed the members of the City Council of a statement of intent to dispose of a property situated on to Field graft. City Council, unanimously believes not to exercise the right of first refusal.

## 2. AUTHORIZATION OF FILING OF A PERMIT TO AMEND THE PUBLIC EQUIPMENT

### TANIA

the Mayor recalls that a building permit for the construction of a building multiservice public facilities in the municipality of La Ferriere, located in La Tania use has previously been granted on 30 April 2009 and registered under number 073 198 PC 08 M in 1027 .

However, taking into account technical constraints emerged during construction it was necessary to partially modify the original plans to incorporate such a modification of facades, changing the height of the building and an additional 41 cm change in the treatment of surrounding the building.

Accordingly, it is proposed to the City Council to authorize the Mayor to file an amended building permit to integrate these various changes.

Municipal Council, after deliberation, unanimously allowed Ms Mayor to file a building permit

amending the initial license registered under n ° 073 198 08 M 1027 and issued April 30, 2009 to regulate the project to build a building used for public multiservice equipment located in La Tania and to sign all related documents.

## 3. AUTHORIZATION OF DEAT DEPOT FOR THE CREATION OF THE STADIUM TELESKI

the Mayor informed the council that the SAEM 3 valleys current assignee service lifts of Ferriere, a undertaken studies to allow modification of the Bouc Blanc lift.

Changing this lift is part of the overall renewal project structuring equipment lifts La Tania, provided under Agreement No. 6 to the Convention development in 1989. This unit will serve a slalom and his name will now Téleski Stadium.

This project is clearly an interest in the common Ferriere, since it can improve overall comfort and the flow of current devices and optimize the park facilities throughout the Courchevel ski area, the Chipmunk.

Given that facilities occupy plots belonging to the private sphere of the municipality, it should allow SAEM to file an Authorization On File Execution of Works on the following allowances:

Plot Plot size Subject Cadastral (m2)

H 14,505,318 m2 Shortening the existing lift (9-12 pylons removed,

establishment of a drop in pulley downstream of strut 10 current and remodeling of the new arrivals area (excavation backfill)

In addition, the Mayor will allow, if necessary, under its delegated powers by the City Council, the occupation a necessary part of the public domain to the lift installation.

Accordingly, it is proposed that the City Council authorize the SAEM to file a Autoflsatiom File Execution Works on this plot.

Municipal Council on report to the Mayor, unanimously approved the principle of changing the lift of Bouc Blanc, authorizes the submission of a dossier of Autorisa'tiun Exécutiun Works of registered plot H14 and states that developments made must take particular care to maintain the quality of the environment by cleaning the site and réengazonnement good level

## IV PERSONNEL

### 1. CREATION OF A TERRITORIAL POST NO CLIP HOLDER

the Mayor reminded the City Council that the municipality wanted to enroll in a comprehensive approach to classification of tourism resort listed, in accordance with the Act of 14 April 2006. As such, the common PERRIERE filed last July 1 file folder withprovisions,the Prefecture of Savoy currently under investigation at the Ministry of Tourism.

Now, a test to obtain this classification consists of having the territory, a tourist office classified

in accordance with the new Code of tourism. This is no longer the case since the July 7 deadline for the former classification of the House of the Chipmunk in category 3.

Given that the process of classification of an office Tourism is a long and complex process, it is appropriate to strengthen punctually teams that have a common proven in the field. skills agent

Also, it is proposed to the City Council to create a territorial attached unlicensed use, for a maximum of one year to cope with the temporary need. accordance with the law 84-53, this post would be created under Article 3, to meet temporary business growth.

The main tasks assigned to this agent would:

- Establish documentation complies with regulations in order to obtain a classification of the tourist office in

Category 1 1 st January 2014

- Manage and lead a quality approach in the Tourist Office of La Tania through national

QualitéTourisme "proposed by tourist offices in France

-From episodic ways, perform various clerical duties and Home to the main hall during the annual leave of permanent staff.

recruited agent is paid on the basis of circumstantial salary corresponding to the territorial scope of employment attached, which would be added if the compensation system established by the Board News.

It is therefore proposed to the City Council to create employment for the temporary need and allow the honorable mayor to sign the relevant contract.

Municipal Council on the report of the Mayor, to unanimously decided to create a territorial attached unlicensed use to cope with a temporary increase in activity for a maximum of one year, said that the circumstantial timing will be fixed according to the special status of the employment framework corresponding authorizes the Mayor to determine the level of pay recruited under the previous provisions by reference to the salary scale of the grade taking into account the level of education and experience agent, in this respect of constant jurisprudence the Mayor authorized to sign the tender document corresponding

is:...2 CREATION OF A POST OF MUNICIPAL POLICE SERGEANT

the Mayor reminded the City Council that pursuant to Article 34 of the law of 26 January 1984, jobs in each community or institution are created by the legislative body of the community

is therefore for the City Council to set the number of full-time jobs for the operation of services, even when is to change the use table to allow advancements grades.

Considering the need to create a job Brigadier Municipal Police to allow access to an agent that grade, the Mayor proposes to the Assembly the creating a job Municipal Police Brigadier permanent full-time.

However, it is clear that the position of municipal police guard will be deleted after consulting the Joint Technical Committee and once named to his new rank officer.

Municipal Council on the report of the Mayor, unanimously decided to create a post of Police Brigadier permanent full-time Municipal says that circumstantial timing and duration of the employment career are established under special status under job matching.

Madam Mayor is authorized to fix the remuneration level of the recruited under the previous provisions by reference to the salary scale of the rank of Brigadier Police Municipal taking into account the level of education and officer experience acquired in this respect is settled law in this area and said that the funds necessary to pay the agent appointed and benefits thereof will be included in the budget of the common sections and chapters provided therefor075-2012:..

3 MODIFICATION OF THE DECISION No. TERMS AND CONDITIONS OF  
MANAGEMENT OF EXPENSES INCURRED BY TRAVEL AGENTS OF

Madam Mayor reminded the council the terms of its resolution dated December 6, 2012 on to repayment of travel agents in town when they go on probation, mandatory training or mission.

Upon request the services of the prefecture, it is necessary to provide some clarification on the absorptions compensation for meals and lodging.

**Indeed, in accordance with the decree 2001-654 of 19 July 2001, the authorities may decide, where the interests of the service required and to take account of particular situations, exceptions to rules rates of mission allowances and internship set by the Decree of 3 July 2006.**

However, the interest of the service in this type of move is fully justified by the fact that the agents should not bear on their own funds cost differences between the amount fixed by decree and the economic reality of expenditure to be incurred when they "will go on training or mission.

Accordingly, the terms of the aforementioned decision of the municipal council are modified and replaced as specified below .

the Municipal Council unanimously decided to continue the establishment of specific task orders as set forth in this discussion, when the territorial agents are required to move out of their administrative orhome,

## 1 REFORM SCHOOL

the Mayor exposes the Municipal Assembly outline of the reform school rhythms and recalls the terms of the decree of 24 January 2013 on the organization of school time which specifies the regulatory framework of the reform in the first degree between into force in September 2013. Decree foresees a return to school week 4.5 days.

Under these conditions, after deliberation, the council decided to seek a waiver to delay the 2014-2015 school year, the implementation of new school rhythms.

## 2. TRANSFER OF AUTHORITY TO Extracurricular SIVOM OF BOZEL

The Council is not particularly favorable to a transfer of curricular competence in September and would like to be studying the dissociation of-school youth and skill .

However, under the assumption that this separation is not possible, the Council wishes to be fully investigated the impact of the declaration of the Youth and Sports of welcomes extracurricular activities, particularly in terms of additional costs associated with the increase in personal .

Finally, in all these reservations, any transfer must necessarily accompany transfers of loans linked to the achievement of the canteen.
